Junior
Sailing

Thanks so much to all of the SGYC members who donated to make our inaugural **Junior Sailing Scholarship Drive** a resounding success!

During the week of June 17th Junior Sailing hosted 11 young sailors from **Promises2Kids**. One of the primary goals of **Promises2Kids** is to reunite siblings who have been separated into different foster care homes. We had 4 sibling groups who were thrilled to have a week of fun on the water with their brothers and sisters.

Our instructors Mary, Kate and David did an amazing job of transforming this motley crew into bonifide sailors. Thanks as well to SC Dave Kissinger for promoting our scholarship drive and exceeding our expectations!

Once again, **Silver Gaters** have stepped up to demonstrate their passion for helping our community! **You are to be applauded!!** We intend to continue building our scholarship fund so that we may offer more opportunities to great kids who would otherwise not have the chance. Please don't stop giving!

Thank You, from your Junior Sailing Team!!
