Our sailing fleet is active in racing and cruising events; our power fleet participates in the Predicted Log races and our fishing fleet puts on tournaments and events for our fishing enthusiasts. We have a very active V32 Model Race Fleet that is great fun and races monthly at our docks. For families, our Junior Program offers year round activities, as well as the Junior Sailing program in the summer which is open to area youngsters. On those off days when you're not enjoying your boat, there's plenty to do at the clubhouse. Our Entertainment Committee has seasonal events planned throughout the year, so there's never a dull moment!

We hope you decide to join Silver Gate Yacht Club and become part of a wonderful "family."
