# A Short History of the Yachting Club of Amer

The Yachting Club of America was founded in 1963 as the first National Association of Yachtsmen and Yacht Clubs. The founding principles set forth by the board of Governors and Founding Members were designed “to serve the advancement of yachting.”

The Yachting Club of America is also publisher of reference books for the yachting fraternity, most notably the annual “Register of American Yacht Clubs”, the Reciprocity Guide and oldest existing Yacht Club register in America.

The Membership Division includes both yachtsmen and yacht clubs throughout the U.S. mainland, Alaska, Hawaii and the U.S. Virgin Islands.

## YCA Membership Requirements for Yacht & Sailing Clubs

- \* Incorporated & operated as yacht or sailing club with Club Charter & By-Laws.
- \* Clubs must have facilities for members & guests.

# PREFACE

The REGISTER OF AMERICAN YACHT CLUBS lists yacht clubs registered with the Yachting Club of America and provides both a reciprocity guide and reference source for yachtsmen and yacht clubs.

Each of the alphabetical yacht club listings includes the following items of information along with the club burgees:

- 1) Name of club
- 2) Year established
- 3) Mailing address
- 4) Telephone number
- 5) Clubhouse address
- 6) Calendar period of operation
- 7) Courtesy dockage available
- 8) Reciprocity status
- 9) Restaurant/Lounge

Each yacht club is also listed geographically by city and state for easy reference to yacht clubs in particular areas.

A number of yacht clubs have restrictions pertaining to use of their facilities by visiting yachtsmen and other yacht club members and should be contacted regarding any such restrictions prior to visitation.

The REGISTER OF AMERICAN YACHT CLUBS is published by the Publications Division of the YACHTING CLUB OF AMERICA.

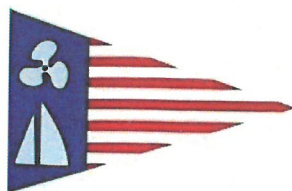

To further the advancement of yachting, the Yachting Club of America maintains an internet site as a reference guide for members of the yachting world.
